

**COMMITMENT**  
& **FOCUS.**

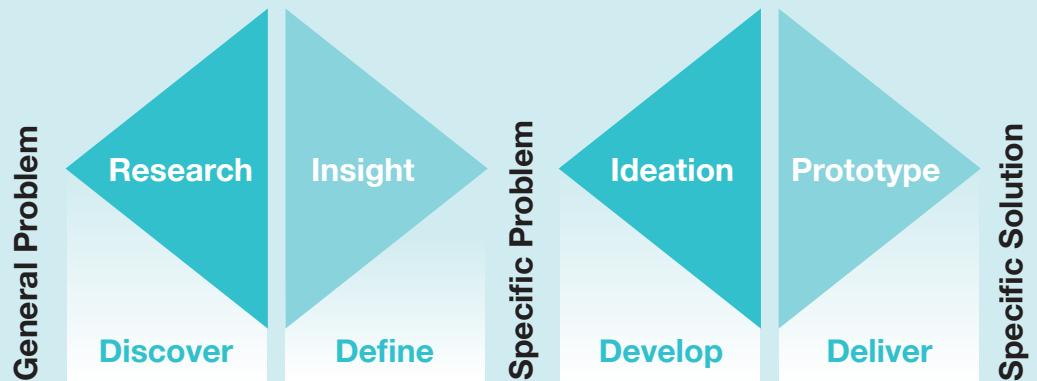

Our mission is to help you:  
End social inequality across North Wales by 2030.  
Our aim is to be useful to you in this work by working with, and for, you innovating, co-creating, testing and delivering new approaches to:

1. Community resilience
2. Keeping well
3. Leadership, Governance and whole system working

**CAPACITY**  
& **ENABLE.**

Our Role in WGU is to enable collective action by:

Original concept by the design council

**OUTCOME.**

To enable and deliver for this collective mission we would in partnership establish a 'North Wales Public Service lab' Learn together - Lead together
